

PEACE TRAIN CANADA 2026 PAPER PETITION

INSTRUCTIONS FOR COMPLETING AND SUBMITTING

- The PTC 2026 Paper Petition is a three-page document.
All three pages should be printed and stapled together.
The first page has the “whereas” clauses on it and must be on top when stapling.
- A person must *sign*, not print their name.
- Collect signatures. Although only 25 are required to complete a petition, gather at least 50 or 100 more as several signatures may be disqualified (for example when someone prints instead of signing their name).
- If you want to keep collecting signatures after the first 3 pages are full, print another 3-page set and continue.
- When you have finished collecting signatures, bring the petition to your MP and request that they present it in the house using these specific questions:
 1. Will you present this petition in the house - yes or no?
If not, Gord Johns will.
 2. If yes, **WHEN** will you present it?
Make sure your MP knows this is an **URGENT** matter as Canada divests of its peacemaking and peacekeeping infrastructure. The petition needs to be presented asap in September or October.
 3. If yes, let me know when you will present the petition. We will clip your presentation for social media.

Note: If you can't see your MP in person, email the blank petition PDF and ask if the MP will support it. If yes, then you can mail the completed petition to the MP.

Alternatively, mail your completed petition to Gord Johns, who is the official sponsor of this petition:

Gord Johns
House of Commons
Ottawa, ON
K1A 0A6 (this is postage free)

Let us know where your completed petition(s) went. Email: info@peacetraincanada.com
