The Check out [KhouricConversations.org](https://www.khouriconversations.org) Promoting Dialogue, Insight, and Understanding

Khouric Conversations is a non-profit venture for supporting the resilience of Canadian values of inclusion and multiculturalism, focusing on building bridges, advancing intercultural understanding, and promoting human rights. Our dialogues are designed to promote insight into complex issues, broaden public understanding of them and bridge cultural and ideological divides. We use a format that allows for stimulating and thought-provoking exchanges without the sensationalism and polarity associated with debates.
